Re: Corporate Name Change from Continental Lime, Inc. to Graymont Western US Inc., Cricket Mountain, M/027/006, Millard County, Utah

Dear Mr. Krukowski:

Thank you for your letter and accompanying documents regarding the corporate name change from Continental Lime, Inc. to Graymont Western US Inc. (Graymont). We forwarded the documents to our legal counsel and have been advised that the documents are in order and we can make the name change in our records. We have also changed the company contact for the Cricket Mountain Mine from Glen Bryant to Wayne Wagner. You are listed as the contact for Graymont's exploration project.

The bond rider issued by Fireman's Fund Insurance Company for reclamation surety bond No. SL11119058169 which changes the name of the principal from Continental Lime, Inc. to Graymont Western US Inc. is sufficient, and nothing more will be required regarding the bond at this time.

The Division of Oil, Gas and Mining does not hold the State of Utah Bond #11127011176 for your state mineral lease. You may have posted that bond with the School and Institutional Trust Lands Administration (SITLA). Please contact John Blake of SITLA at (801) 538-5152 regarding your lease and this bond.

Thank you for keeping us apprised of your mining operations. We hope this consolidation will go well for your company.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
